

Penshurst RSL Members NRL Tipping Competition

Dear members.

As the NRL regular season has now come to an end we can now advise of the members tipping competition results.

Three members finished the regular tipping season tied on 152 points with the margin playing a key role in determining the overall winner.

The winner finishing on 152 points, with the lowest accumulated season margin, is Adam Harris. Adam wins the first prize of \$500. Well done!

The runner up is John Albert winning \$200.

In 3rd place is Ann Griffiths winning \$100.

Congratulations to all prize money winners.

Round 22 seen 24 entrants (almost half of the field) score perfect rounds, each winning a \$30 club gift card. Some kind of record I'm sure!

All competition prize money and gift cards will be available for collection from the club's duty manager once the club re-opens.

To all members, we hope you are well and thank you for participating in this year's tipping competition. Until next year....
