president's *Report*

The year in review

The year 2023 ended with a very pleasing trading result for the club. I am happy to report to members that the club is in a very sound financial position. We can fully fund the minor renovations that are planned to commence this year and still hold a substantial cash reserve for the future.

Constitution update

Our Club Constitution is like a handbook of laws and procedures that the club must follow. It must be approved by the members and any amendments must also be approved by the members. A meeting to approve some changes was held on Sunday 4th February 2024. The changes were drafted by the Club's solicitors. Unfortunately, the motion to amend our Constitution did not enjoy the support that was required. This is something that needs to be addressed in the future.

Memorabilia cabinets

Members have grown accustomed to seeing the memorabilia cabinets as they enter the club. Due to the forthcoming renovations, these cabinets will be relocated downstairs near the rear entrance (opposite the cabinets already there). The club will work with the sub branch to create a Remembrance Walkway from the club's rear

entrance. When the club undertakes a major rebuild, the memorabilia will be given a prominent pride of place near the front entrance. The board and management note that a key part of our mission is to promote the spirit of ANZAC and remember those who served.

Foxtel

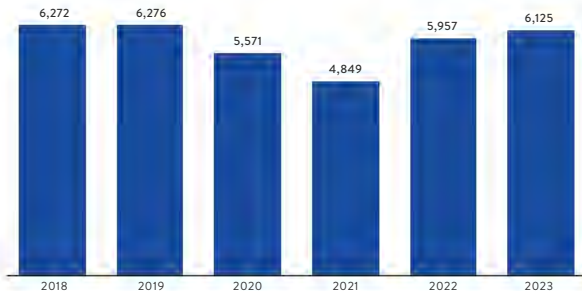

I am pleased to note that we have signed a new agreement with Foxtel that gives better dollar value than previously offered by them. Patrons will be able to watch the footy as the new 2024 season unfolds.

Meat raffle

The club runs meat raffles on Wednesdays and Sundays. I am happy to announce that the club meat trays will be bigger and better than ever. Our aim is to give away the best meat trays in the St. George District!

Membership

Our membership declined during the Covid era. Several steps have been taken to increase our membership including the member voucher system. Once a month members may claim food and beverage vouchers. Our membership now stands at 6125 members; we are now nearly back to our original numbers as the following graph illustrates:

Total Financial Members

Renovations

Members will notice workers in the club in the ensuing months and I will briefly remind members of the planned renovations:

- Enlarge the dining room
- Build a brand-new smoking area and sports lounge
- Enlarge the outdoor gaming area
- Develop additional car parking spaces
- New furniture and fittings

New caterer

We farewell our caterers, Yvonne and Kenny, who are moving back to Malaysia to be with family. They have worked long hours over many years and deserve a welcome break. They go with our best wishes for the future. We welcome our new caterer Andy, who has retained a number of the existing staff.

Sub clubs

Elsewhere in this magazine you will see contact details for all our sub clubs. Please consider joining a sub club. As a club member, you will be made to feel very welcome. Our sub clubs include, travel, golf, swimming, rugby league, AFL and the sub branch. There are many other

activities available to you such as ballroom dancing, trivia, patchwork group, salsa dancing, karaoke and cards (bridge). Please see reception for contact details.

Thanks

On behalf of all members, I would like to thank our CEO, Chris, the management team and staff, not only for a fantastic trading result, but also for making Penshurst RSL Club a safe and welcoming place for our members to visit and enjoy.

I would also like to thank our board members who have undertaken legal and financial training to contribute to board affairs and who also give up their free time to attend board meetings and attend training and strategy sessions.

Finally, a big thank you to all our loyal club members. Your continued patronage is much valued. Best wishes for a happy and healthy 2024, the Year of the Dragon.

CEO'S

Report

Hello Members,

Firstly, I would like to wish all of our members good health and happiness for 2024, and pass on my condolences to those who have recently lost loved ones.

It gives me great pleasure to present the CEO's report for 2023, highlighting the achievements, challenges, and progress made throughout the year.

Financial Performance

I am pleased to report to our members that despite the many ongoing challenges, Penshurst RSL Club has maintained a strong financial position in 2023.

We have achieved another great profit for the year of approximately \$1.33m (un-audited), and this is credit to the ongoing loyal support and patronage of our wonderful members. Our commitment to fiscal responsibility has enabled us to continue delivering exceptional services and amenities to our members, whilst ensuring value for money and long-term sustainability. In August 2023 we made the final payment of the club's loans, one which was activated for the club renovations back in 2016, and the other, legacy debt of over \$2m. Members can now be reassured that your club's longer-term viability is sound. The full audited annual report will be made available to all members on the club's website from early April.

Membership Growth and Engagement

In 2023, we witnessed significant growth in our membership base by attracting new members to our club, whilst also strengthening our relationships with existing members, reflecting the real value and appeal of Penshurst RSL Club within the community. Our efforts to enhance member engagement through tailored promotions and our rewards program have yielded positive results, fostering a sense of belonging and togetherness among our diverse membership.

Community

At Penshurst RSL Club, we are deeply committed to supporting and giving back to our local community, and in 2023 we continued on with this tradition by actively participating in various sponsorships, community projects and partnerships with local charities and organizations. Whether it's providing assistance to local schools, sponsoring sports teams, or organizing fundraising events, we remain dedicated to making a meaningful difference in the lives of those around us. We were privileged in hosting the Anzac Day Dawn Service, where there were over 1,500 people in attendance, and over 600 people attended the club for breakfast.

Looking Ahead

We are set to begin more renovations in March 2024, unfortunately there have been a number of set-backs from council, however as they say patience is a virtue! And as we embark on the journey ahead, I am confident that Penshurst RSL Club will continue to thrive and evolve. With a dedicated commitment to our vision of securing our long-term future by providing outstanding facilities and services for our members and guest, we are well-positioned to overcome any challenges that may arise and seize opportunities for growth and innovation.

Thank You

Late last year we farewelled our Operations Manager, Craig Merrit, and we wish him well in his new role as a General Manager in the club industry.

I would like to thank our caterers Kenny and Yvonne for their service at the club over the past 7 years. They have done a wonderful job and we wish them well for the future. We welcome our new caterer Andy, who has kept the rest of the catering team.

I would like to congratulate the following two staff members on their length of service with the club; Dave Goddard 25 years' service and Reny Rice 15 years' service.

A remarkable achievement by both of these staff members, who are wonderful assets to our business.

I would like to thank the board of directors for your strategic planning and ongoing support, the management team for your leadership, and all of our staff for your exceptional customer service.

In closing, I extend my heartfelt gratitude to our members, for your unwavering support of the club. Together, we have achieved remarkable success in 2023, and I look forward to building on this momentum in the years to come.

I look forward to seeing you at the Club soon!

Kind Regards,

Chris Hendley

Explanatory message to members regarding the ordinary resolutions

Section 10(1)(i) and (j) of the Registered Clubs Act 1976 prohibits the Club from offering a benefit or advantage to any member unless it is offered equally to all members of the Club.

Section 10(6) provides an exception to section 10(1)(i) and (j) where the benefit comprises an honorarium conferred on Directors of the Club.

Section 10(6A)(b) of the Registered Clubs Act 1976 allows a member to receive a benefit if the benefit conferred is not in the form of money (ie is in the form of meals, drinks, car parking spaces etc) and those benefits are approved by an ordinary resolution of the members of the Club in general meeting prior to the benefit being provided.

The First Ordinary Resolution is to have the members in general meeting approve, in accordance with section 10(6A)(b) of the Registered Clubs Act 1976, reasonable expenditure by the Club in relation to the conferral of non-monetary benefits on Directors and specific members as specified in the resolution.

The Second Ordinary Resolution is to have the members in general meeting approve, in accordance with section 10(6A)(b) of the Registered Clubs Act 1976 non-monetary benefits including the reasonable expenditure by the Club for the Directors to attend seminars, lectures, trade displays, and other similar events, including the registered club industry's peak industry association (Clubs NSW) Annual General Meeting, and to visit other clubs, to enable the Club's Board to keep abreast of current trends and developments which have a significant bearing on the nature and the way in which the Club conducts its business.

The Third Ordinary Resolution is to have the members in general meeting approve, in accordance with section 10(6)(b) of the Registered Clubs Act 1976, the conferral of an amount of money (ie honorarium) on the President, Vice President and Directors of the Board in recognition of their services as members of the Board.

Report

The 2023 Annual General Meeting saw significant changes in office bearers. John Hoban stood down as President. Former Vice President, Keith Pratt, was elected President and, as foreshadowed, a new Secretary was also required. It has been a very challenging time for me and I could not have achieved as much as I have without the support and guidance of the former Secretary, Graham Grant. Thank you, Graham. We welcomed another new executive member, Tom Lyons, who has quickly settled into his vice president role. Welcome also to new committee members, Peter Sanders and Marjorie Madden.

After many years, due to falling numbers, the Penshurst branch of the War Widows Guild disbanded but the ladies remain in contact with each other as a social group and attend sub-Branch functions.

In March the bus trip to Penrith and the Nepean Belle Cruise on the Hawkesbury River was very well attended. The cruise itself was a great success but the temporary mooring location meant that boarding access was not the easiest. Our Social Committee will be organising other social events for this year.

On behalf of Penshurst, Mortdale and Otley sub-Branches, Penshurst hosted the ANZAC Day Dawn service in 2023. Actual attendance numbers cannot be accurately predicted but the numbers were well above our expectation. We will take this into consideration when we host the service in 2026 and hopefully ensure there will be a more effective audio coverage. A very special thank you to the Riverwood Hornets who stepped in at the last minute to form the Catafalque Party following the late withdrawal of RAAF Richmond.

In August eight sub-Branch Vietnam veterans travelled to Canberra to join other Vietnam veterans from across Australia

to attend the Vietnam Veterans Day service at the Australian War Memorial commemorating the 50th anniversary of the end of the Vietnam War, Australia's longest military engagement last century.

Our President, Treasurer and myself attended the RSL Congress in Newcastle. The newly elected President, Mick Bainbridge, addressed Congress. One of his main priorities will be to consider the recommendations of the Royal Commission into Defence & veteran Suicides once they are released.

Our informal Remembrance Day service continued to focus on local schools. Following the President's address participants paused for a minute's silence to remember those who have died or suffered in wars and other military operations. Wreaths were then laid.

Our final major event of the year was the sub-Branch Christmas luncheon. Thanks to our Social Committee for their efforts in making the afternoon so enjoyable for members and visitors.

Late last year RSL NSW requested sub-Branches review their membership records. Many members have now either confirmed or updated their details including mobile numbers and e-mail addresses. If you have not yet provided this information, please contact the sub-Branch. Numbers at the end of the year were: Life Members 3, Life Subscribers 6, Service members 78, Affiliate Members 32 and Associate Members 11. It has never been easier for serving and former service personnel to join. Just log on to the rslnsw.org.au and apply online or contact the sub-Branch and our membership officer, Peter Sanders, will gladly assist.

Penshurst rsl junior rugby league club

Penshurst RSL kookaburras Junior Rugby league club had another Stella burras in 2023. In what for us was to be a rebuilding year, we pushed our achievements for higher than our expectations. With 7 teams being eligible to play finals we qualified in four of those 7 teams and all for qualifying teams went on to win the grand final and we premiers for 2023. Although this is a great on field result, this is not totally how we measure our success. We measure our success by smiles on kids faces, and the number of kids that had such a good time that they decide to return to us the next year.

We continue to hold dearly our 4 Pillars of Values for our club and use these to guide our activity and presents. Those being:

1. Engage - with our community, membership and participants.
2. Inspire - our kids to be the best that they can be.
3. Develop - of our players, coaches, team staff.
4. Enjoy - The whole reason why we are all involved in Rugby League.

We look forward to an even better 2024, as we continue to rebuild our club and we hope to see the return of our Men's open A'Grade team, Expansion and growth of our Girls and Women's Tackle teams and an explosion of Kookaburra chicks driven by our League tots program that we will run in the new year.

Our club, greatly appreciate the support of our volunteers, our community and sponsors particularly that of Penshurst RSL club who's support has been unwavering since our clubs inception. We would not be able to help our kids have the opportunity to enjoy this great game of Rugby League that we all cherish so much. Bring on 2024, even bigger and better than this year.

Penshurst rsl midweek social golf club

The men at Penshurst RSL Midweek Golf Club enjoyed a really good year in 2023 with the membership number growing steadily after the decline suffered during Covid and the retirement of quite a few of our long-term players. We have an age range from 40's through to the mid 80's with consistent sledging to keep each round flowing with laughs and the usual highs and lows that the game of golf provides.

We play golf at Hurstville Golf Club at 7am each Wednesday during daylight saving (summer and spring months) and 8am each Wednesday (winter and autumn months). Every Wednesday after golf we meet together at Penshurst RSL for refreshments and presentation.

As always, we are continually grateful for the support provided to us by the Penshurst RSL through Club

Grants which enables us to provide subsidised green fees and cart hire for players each week.

Enzo Corvino (Club President and Handicapper) together with Colin McDonald (Club Captain) organise the Club and each days play so that all players can enjoy a professionally run Club with weekly and annual prizes. We welcome players who are experienced and those just starting and emphasise that we are primarily a 'social club' where nobody takes their golf too seriously with the main aim being enjoyment and laughs (the latter always on offer due to the type of golf played by most of the membership!!)

Anyone interested in joining us or asking for further information about the Club please feel free to contact either Col (0419262340) or Garry (0401713754).

travel Club

Now commencing its 22nd/23rd year at Penhurst RSL and despite the recent pandemic challenges, the Travel Club continues to offer great day and extended tours at the best possible prices.

Mostly, we start each year with a cruise which can be anywhere within a 3 - 4 hour drive of Sydney. However, having finished 2023 with a very relaxing 2.5 hour Christmas lunch cruise on the Nepean Belle paddlewheeler cruising through the Nepean Gorge near Penrith, Elizabeth (our Organiser) needed an alternate way of celebrating the beginning of 2024. So, mid-February, our first day trip will be visiting Coolangatta Estate at Shoalhaven Heads for a wine-tasting, self-guided tour and lunch.

The rest of this year is already taking shape with theatre parties and day trips, but the two extended tours - five days in the Coffs Harbour region in March and a 13-day outback coach tour in September to South Australia flying to Adelaide/return and including three nights on the "Murray Princess" - are already fully booked. However, there are waiting lists in place for these, as cancellations do occur, so please get in touch with us if you are interested. Last year's extended tours to Adelaide/Kangaroo Island in February, Hervey Bay/ Fraser Island (K'gari) in August (photo courtesy Jenny Scally shows the island's tranquil Wanggoolba Creek) and a weekend away in the Stroud area in June were all great successes.

In past years, some overseas travel has been included: Canada, China, Vietnam, Hawaii, New Zealand x 2, and a few of the stunning islands off Australia's coast: Norfolk, King, Kangaroo, Daydream, Torres Strait, Fraser/K'gari, Phillip and Rottneest. Our club has also

been very fortunate to experience extensive travel in all states/territories of our beautiful country, so finding new locations for these - and day trips - is not an easy task, but we are always open to suggestions from our members!

As we're all too well aware, everything is now so expensive, but our club always endeavours to keep travel costs to a minimum. Day trips/theatre parties are payable in full at the time of booking, but extended tour bookings only require the nominated deposit and the balance may be paid by instalments up until the final payment date. The upcoming tours, itineraries and further information can be found on our website, as well as reports/photos of our past travels: <https://pentravelclub.weebly.com/> or type Penhurst RSL Travel Club into your browser.

The Travel Club is fortunate in retaining many long-time members, however we always welcome new members. If you would like to join, but prefer to chat with a committee member first, please contact Elizabeth on 9533 5809 (leave a message if necessary) or e-mail Jenny our Secretary at pentravelclub@gmail.com. Current membership of Penhurst RSL Club is an essential requirement and there is an annual Travel Club fee of \$7 (covering the period 1 July to 30 June or part thereof) plus a new member form to complete. Our monthly meetings are held upstairs in the Auditorium on the first Wednesday of each month from 6.45 pm or we can be found in the Bistro on the third Monday of each month between 5 - 6 pm. Our "Travel Talk" monthly newsletter is available from the reception desk following the Wednesday meeting. We look forward to welcoming you!

Youth Swim Club

Penshurst RSL Youth Swim Club is a family-oriented, volunteer-run club that offers a swimming and water safety program for children aged 4 & up.

We are sponsored by Penshurst RSL Club and lessons are open to the children of financial members of the RSL Club.

The season costs \$260 including \$20 insurance for 1 hour sessions. Classes are ability-based and children are encouraged to build on their water confidence and swimming skills in a supportive and friendly environment.

The Penshurst RSL Youth Swim had 18 swimmers in carnival 1 and carnival 2 and 15 in carnival 3. About half the swimmers received ribbons (placings) at the

Championships held in December 2023. We had 13 swimmers with 5 receiving medals (placing top 3). The State Championships in March, we will have the largest contingent for a few years with 9 selected but only 8 swimmers will be going.

Lessons are held at Peakhurst West Public School Indoor Swimming Pool

Our season runs from 2 September to 23 March on Saturday mornings:

- Learn to Swim lessons are held from 8am to 9am
- Squad and intermediate (stroke correction) lessons are held from 7am to 8am
